English

ACADEMIC BACKGROUND

- *Technical University, Faculty of Automation and Computer Science, Cluj-Napoca (Romania)*
2018-2022
Domain: Systems Engineering
Education program: Automation and Applied Informatics

WORKING EXPERIENCE

- *Developer 24/05/2023-31/08/2023*
Acorn IT, Cluj-Napoca (Romania)
I developed and tested functionalities in application based on Progress OpenEdge programming language.

- *Internship 06/03/2023-14/04/2023*
Wayfare, Cluj-Napoca (Romania)
I learned a new programming language using Progress OpenEdge. At the end of the training I was able to build a database project.

- *Intern 12/07/2021-30/9/2022*
Robert Bosch SRL, ECC Cluj-Napoca (Romania)
I maintained the tracking system for prototype orders. I supported the implementation of an .Frame C# application used internally.

- *Intern 22/06/2020-30/06/2021*
Robert Bosch SRL, Jucu (Romania)
I processed the products data in SAP (Work Instructions, Control Plan, FMEA updates), the ECR (Engineering Change Request) data base and also I managed the RACE (Release and Cancelation in BBM) application.
